

# It's Not About Where You Are... *It's Where You Want To Go*

Over the last 25 years, Amber's House of Dance has had hundreds of students who have participated on their middle school and/or high school dance teams. In addition, many have gone on to dance on their college dance teams at:

*UNC-Chapel Hill, UNC-Charlotte, UNC-Greensboro, UNC-Pembroke,  
UNC-Wilmington, Appalachian State University, East Carolina University,  
Elon University, Western Carolina University, Wofford College,  
Mars Hill University, NC State University, High Point University,  
Hampton University, Princeton University  
as well as Carolina Panthers and Atlanta Falcons*

AHOD students have received dance scholarships, trained in New York, studied at the NC School of the Arts, majored or minored in dance, and participated in the Disney College Program. Many go on to teaching studio dance as well as, coaching middle school, high school, and college dance teams.

## *Train with Proven Winners this Summer*

**Technique 1** For those interested in improving skills and/or auditioning for middle or high school teams or studio competition teams in the future.

These 1 ½ hour technique classes (by grade level) will be taught weekly throughout the summer and will help dancer learn and/or improve on the use of their body to enhance dance moves. Proper pointing of the toes, arm placements and leg extensions, plus leaps and turns are only a few of the skills that will be taught. Technique classes help to expedite a dancer's skill levels. For classes, dancers will be categorized according to skill.

**Technique 2** For present middle and high school team members.

Our goal is to prepare a dancer with the skills needed to pursue their dance goals. We offer group classes taught by college and high school dance team coaches. Dance Team Technique will focus on a blend of skills including Jazz, Pom, Hip-Hop and Acro. Private lessons in Dance Team Prep are also available.

Dancers are not required to solely dance at our studio. The specialty of this program is set up to supplement other training. This program will also educate dancers on different collegiate teams, their styles, audition requirements and what to expect for auditions.

**If you are interested in making your team more effective or pursuing collegiate dance, this summer program is for you!**

**AHOD wants the opportunity to prepare you with skills you need to have a successful dance journey.**
